In today's Gospel passage from Luke, we read the well-known parable of the Good Samaritan. Here, Jesus teaches us in rich detail what stewardship in action looks like. In fact, this parable could just as accurately be called the parable of the Good Steward.

The first thing we note about the Good Samaritan is that he is aware of the needs of those around him and responds generously. While the priest and Levi brush right past the man on the side of the road, the Samaritan is watching for those who might be in need. He has a hospitable way of looking at the world around him, and so, he is able to "see" in a way that the others did not, and he was "moved with compassion at the sight" of the man.

Next, we see the Good Samaritan spring into action to serve this man, setting aside his own schedule and plans in order to meet his needs. He does not just give the man a few dollars or offer some quick words of encouragement from across the road. He goes right up to the man. He cleans and bandages his wounds. He puts the man on his own animal and brings him to an inn where he can heal. He ensures that the innkeeper would continue to look after him and he commits to returning to the man on his way back.

That is how we live out God's commandments. That is true hospitality and service. That is how a good steward springs into action when he comes upon a neighbor in need. And Jesus says to each of us personally, just as He did in today's Gospel, "Go and do likewise."

PRAYER

DEVOTION TO OUR BLESSED MOTHER

As a spiritual devotion to Mary, our Blessed Mother and the Patron Saint of the U.S., the Rosary and the Litany of the Blessed Virgin Mary are prayed at approximately 35 minutes before all weekend Masses at St. Benedict and St. John. Join in this powerful prayer to our Mother who intercedes for us.

PRAYER FOR VOCATIONS

God Our Father, we thank You for calling men and women to serve in Your Son's Kingdom as priests, deacons, religious, and consecrated persons. Send Your Holy Spirit to help us respond generously and courageously to Your call. May our community of faith support vocations of sacrificial love in your youth. We ask this through our Lord Jesus Christ, who lives and reigns with you and the Holy Spirit, one God, for ever and ever. Amen.

PRAYER FOR LIFE

O God, our Creator, all life is in your hands from conception until death. Help us to cherish our children and to reverence the awesome privilege of our share in creation. May all people live and die in dignity and love. Bless all those who defend the rights of the unborn, the handicapped and the aged. Enlighten and be merciful toward those who fail to love, and give them peace. Let freedom be tempered by responsibility, integrity and morality.

PRAYER OF ST. IGNATIUS LOYOLA

Dearest Lord,
 teach me to be generous;
 teach me to serve You as You deserve;
 to give and not to count the cost,
 to fight and not to heed the wounds,
 to toil and not to seek for rest,
 to labor and not to ask for reward

FAITH FORMATION

HOW WE SHOULD PREPARE FOR MASS

A Series from Creighton University, Part Two

It starts with an attitude

If I think about going to Mass merely as "fulfilling my Sunday obligation," I've already lowered the bar terribly to begin with. The Church - the whole People of God - asks us to come together to give thanks and praise to God and because the Mass makes us who we are as Church. The Second Vatican Council's *Constitution on the Sacred Liturgy* tells us that the Eucharist (which means "Thanksgiving") is the "source and the summit" of our faith life. Our faith life comes from the liturgy and when we celebrate the liturgy well, that celebration is the best expression of our faith life. The *Constitution* sought to renew the liturgy so that we might all have "fully conscious and active participation" in it. How different this vision is from "attending Mass"!

We can think about preparing for the liturgy the way we'd prepare for anything we want to participate in fully. If we are going to a new movie that is out, we might read several reviews and get connected with the buzz about the movie. If we are going to sporting event, it always helps our involvement if we stay up to date with the teams and know something about the players and some of the team stats. If we are going to a committee meeting or a neighborhood organization gathering, we'd typically get ourselves ready to know the issues and be ready to participate in the event.

The trouble with the Mass is that we don't tend to think about our genuine participation in it. We can have a lot of experience of not "getting anything out of it," when we don't prepare to be engaged in the actions of the liturgy and give ourselves to them. So, we are going to briefly reflect on some possibilities for doing just that.
