DO YOU KNOW THE MEANINGS OF THESE?

MAGISTERIUM OF THE CHURCH:

"The task of giving an **authentic interpretation of the Word of God**, whether in its written form or in the form of **Tradition**, has been entrusted to this **living teaching office of the Church** alone. Its authority in this matter is exercised in the name of Jesus Christ."

This means that the task of interpretation has been entrusted to the **bishops in communion with the successor of Peter**, the Bishop of Rome. (CCC 85)

DOGMA: A dogma is a doctrine that meets two specific criteria: it must be *divinely revealed*, and it must be officially proposed by the Church. Dogmas are of the utmost importance and the Church expects members to accept and follow them absolutely.

DOCTRINE: The clearest definition of doctrine says that it is the Magisterium's authoritative clarification of Revelation and Faith that *must be accepted as objectively true* in order to be Catholic.
