WORLD DAY OF THE SICK—FEBRUARY 11, 2020

World Day of the Sick is celebrated each year on February 11. This observance is very important for people suffering from diseases. World Day of the Sick was created by Pope John Paul II on May 13, 1992. He had been diagnosed with Parkinson's disease in 1991. Since 1993 it has been celebrated on February 11,

which coincides with the commemoration day of Our Lady of Lourdes. This feast was chosen because many pilgrims and visitors to Lourdes have been healed by intercessions of the Blessed Virgin.
