***2. Our Easter Labor of Love work day will be on Saturday, April 12 at 9:00 a.m. at St. Benedict Church.**

We need all of you to help clean and prepare the Church Hall and grounds for Holy Week. Bring your tools! "Many hands make short work."

***3. We are asking you to donate varied colors of pastel potted flowers to decorate the Church Hall Chapel for Easter. Please bring them to St. Benedict Hall on the Easter Work Day through Wednesday the 16th. Those bringing Easter Lillies, please don't bring too early, since their blooms do not last very long.**

***5. The Sacrament of Confession**

An open wound untreated and unbandaged will rapidly become infected by germs and bacteria.

Think of a pattern of serious sins as a sort of open wound in the spiritual order. Untreated, that is to say, un-confessed, it becomes a point of entry for less than savory spiritual powers.
